Dear Dr. Burleigh,

Just a note to send along with a special greeting for your Birthday. Guess it won't get there in time now, but I do wish you a Happy day on Your Day. I wonder how you are feeling and if you are doing any genealogy!

Do you know anything about the Walkers in Bedford, Pittsburgh and Olden twp. area? I am thinking more and more that my Sarah's family went from Camden twp over to Bedford twp. as the John and Elizabeth Walker in Bedford twp. are the only ones that seem to fit. So far I have been unable to find any of their descendants, but I keep working on it! I think this John's brother is a Hudson Walker. They may have both lived in Camden twp. I just found land records in New York state for my Warren N. Godfrey and sent for them hoping they will give the town he lived in and I can get him into N.Y. from Canada and perhaps find his parents! That was an exciting find for me.

During my research in various records in Salt Lake library I always notice the Burleigh's and for some reason pulled off a few of them which I will enclose. Perhaps they will be of no use to you but I will be happy if even one is of some help to you.

I am still very grateful to you for the nice visit we had and wish I could come back and talk again now that I know a bit more. I haven't had the time yet to catalog what I did get while I was up there because of canning and drying the summer fruits & vegetables and all the other summer activities besides not feeling too well this summer.

I hope that you are well and enjoying life - you have a lovely apartment. I think of you often with appreciation and wish I might have known you better. These are things I have jotted down as I was searching:

Hope that you might find something here of value - I don't know why I took these as I saw others at various times, but didn't feel like I had the time to write it all down!.

I hope that you are well and happy and that you had a SUPER BIRTHDAY!!
